

Contact Your Members of Congress: Call Scripts

Hello. My name is **[First Name] [Last Name]** and I am calling from **[City], [State]**.

I am calling as a constituent to encourage **[Representative/Senator] [Official Last Name]** to support legislation to offer statehood for Puerto Rico.

During the most recent election in November 2024, our fellow U.S. citizens in Puerto Rico voted on a referendum to decide their future political status. The “statehood” option won by a significant margin, with over 58 percent of the vote.

In fact, four different status votes have been held since 2012, with voters consistently rejecting the current territory status and with statehood winning over other non-territory options like independence and independence with free association, every time.

I would like to respectfully request that **[Representative/Senator] [Official Last Name]** listen to the U.S. citizens of Puerto Rico and help introduce or co-sponsor legislation this current Congress to turn the results of that vote into law.

Puerto Rico’s current status has led to inequality and unequal treatment for its residents, and I am counting on my Representative to help put that to an end. Doing so will benefit those on the island, but also strengthen America as a whole.

Thank you for taking my call and considering my request.
